Grade: 7 Benchmark#: 7.1.4.5		Mastery Check		
State Language: Uses information from the text to make inferences and draw conclusions.		Student Friendly Language: Uses information from the text to make inferences and draw conclusions.		
Concept (Students will know): How to make an inference. Draw conclusions based on	Skills (Students will do): Infer and draw conclusions		Topics:	DOK Level:
information in the passage. Big Ideas:				
Learning how to make an inference and draw conclusions is a life skill students can apply to other subjects and real world application.				
Students can use information in text and their prior knowledge to make inferences about the text.				
Using inference skills forces students to actively engage in the text. Students will be able to draw conclusions which they can support with evidence from the text.				
Inferencing skills help students make predictions.				
Essential Questions: What clues does the author give the reader to help them infer?				
What information in the text allows the student to draw conclusions?
